Quotes from Stanford Head Coach Bill Walsh

"They moved the ball extremely well. They have a wonderful offense/

About the team's closed ~~pract~~ practices:

"They didn't surprise us and I don't think they meant to. We didn't mean to surprise them either.

"Three big penalties really hurt our offense.

"Without any doubt, Benjamin is the best quarterback in college football.

"Our defense played well against (U. of) California which is one of the conference's top offensive teams. I thought we ~~trix~~ tackled well. We didn't bring that big man (Alexander) down every time, though.

"We wanted to come out and throw. They ~~play~~ (LAU) played an excellent scrambling defense.

"This is the best defensive game we've played this season. The main thing was tackling Number Four (Alexander), who was an excellent back.

"This is the first time this ~~a~~ year we've had problems with key penalties.

"It's ~~a~~ been a wonderful ~~w~~reak for us. It was just outstanding. The' hospitality was just great.

"We had trouble with our ~~r~~unning game, but the big 15-yard ~~p~~enalties was what ruined us.

~~¶~~ Asked about Benjamin's play:

"This is one of his best games considering ~~that~~ he had no interceptions.

"Our team came out ready to play football. Both teams were well-conditioned.

"You can't play around with a great back like Alexander.

~~¶~~ ~~Asked about~~

"This is the first time (Gordon) Ceresino has been healthy this' year."
